

Cheam LTC Junior Programme – Autumn Term 2021

At Cheam LTC, we offer tennis classes starting at 4 years old and continuing to players at 18 years old. Our specially trained coaches will ensure each and every kid has a great tennis experience within an inclusive environment.

The age ranges are broader than before as we operate on a “stage before age” approach, as every child is different. This is why the age ranges for the classes overlap. Don’t know which class to book? Ask us! We also operate with a low coach to player ratio so that we can provide the best possible tennis experience for your child.

Our Classes

- Fun and dynamic sessions for kids of all ages and ability
- We’ll help kids improve their balance, agility and co-ordination
- Technical and tactical tennis coaching
- Very low coach to player ratio in each hourly class so that we can provide the best possible tennis experience for your child.
- Matchplay opportunities
- **NEW** End of Term Feedback Report to track your child’s progress

Booking Information

Our latest term-time classes are running from Saturday 4th September to Friday 17th December 2021. Junior Coaching Courses must be booked online prior to the course commencing: <https://clubspark.lta.org.uk/CheamLawnTennisClub/Coaching/Junior>
