

## **Booking Courts at Cheam LTC**

To be able to make access fair to all, we are requiring **every player** to book online from the club website court schedule page. No booking, no playing! This enables us to control the numbers at any one time at the club.

Members may book a slot up to 3 days in advance of playing. Members can only have 1 active booking at any one time. After you finish playing, you may book another slot, which could be the following day subject to availability. This is to ensure that all members get a chance to play. Rules are subject to change, depending on factors such as court demand and LTA guidance.

## **Booking Instructions**

1. Be a paid up member of Cheam LTC for the 2021/22 season. Please renew here if you have not done so already - <https://www.cheamtennisclub.co.uk/purchase-membership/>
2. Go to <https://clubspark.lta.org.uk/CheamLawnTennisClub/Booking>
3. Login to your LTA account – please create an account and select your venue as Cheam LTC if you have not done so already. Please email us if you are having difficulties with this step.
4. Book an available court slot
5. If you are bringing down a guest, please pay visitor fees via a bacs payment

A visitor's fee of £5 per adult or £3 per junior will still be required prior to playing.  
**BACS details:** Account name: CHEAM LAWN TENNIS CLUB, *Sort Code: 20-84-17, Account no: 30261750.* Please put your name in the bacs reference

Please note that bookings may be removed if these conditions are not met. For example, anyone with a second booking before the first one has been completed will have it cancelled. This is to ensure all members have the opportunity to access the courts.

Committee members will be checking the booking system, attendances and visitor fee payments to ensure everyone is following the rules. We remain proud of our club and our members and look forward to things resuming piece by piece. See you on court very soon, please email if clarity is required on anything above.
